

## AOSA Select Research Topic 2009

### Select Topic:

***How do Orff Schulwerk Teacher Education Courses affect the way people teach?  
Does it change practice?  
Do some people continue to teach in their previous manners?***

- The AOSA Research Committee is posting this *select topic* for special consideration when receiving applications for 2009 AOSA Research Grants.
- All research grant applications will be considered regardless of the topic. However, this select topic will be given priority by the committee.
- Use the AOSA Research Grant Application to submit a proposal requesting grant money for this select research topic. The application can be found at <http://www.aosa.org/research.html>

### Funding:

- Grant requests of \$100 to \$5,000 will be considered
- In some cases, partial funding may be granted

### Requirements (See application.)

- AOSA National Membership
- Résumé reflecting knowledge of, or expertise in Orff Schulwerk
- Letter of reference
- Completed Research Grant Application

### Deadlines

- January 15 and July 15
- Notification will be made by April 1 or October 1, accordingly
